More than 120 companies in New Jersey have made Inc. 5000's annual list of the nation's fastest-growing privately held firms.

Altogether, the 121 local ventures included saw 241% median growth, generated \$5.7 billion in total revenue and added 7,716 jobs to the state's economy, according to the ranking published Aug. 14. Of the list makers, 15 are newly founded outfits, while 84 are repeat honorees.
